

REVISED JOURNAL

In the works of our great country, we have a more or less of the same thing. The literature of science, the literature of the arts, and the literature of the human mind, are all more or less of the same thing. The literature of science, the literature of the arts, and the literature of the human mind, are all more or less of the same thing. The literature of science, the literature of the arts, and the literature of the human mind, are all more or less of the same thing.

Dr. R. R. Hopkins, Physician and Surgeon, Office and Residence: Hospital Building, Broadway, near the corner of Madison Street, New York, N.Y.

DR. R. R. HOPKINS,
Physician and Surgeon,
